Sales for the month of November were \$23,842.40. That is up \$2,597.61 over November 2016 sales! Yea You!!! We appreciate all your hard work to make Keeper's Corner such a success. Scott has been hitting the Face Book page hard the last few months and we are getting some great comments and reviews on line!! We really appreciate you! Our vendors are what make this store work as well as it does! Thank you so very much for your hard work and all of the super items you bring in for our customers! I know they appreciate all the treasures they find in the store!

I also want to give a huge thank you to the staff. They work so hard for you and for us!! Their efforts do not go unnoticed by Scott and I, the vendors and the customers. I could not keep the store going without them. Please give them a "thank you", they work so hard for all of us!!! Please remember that they have guidelines to observe and cannot always do everything you ask them to do, or in the way you want it done.

We have had several new vendors join the Keepers Corner family in the last few months! We welcome you all and thank you for putting your trust in the store! If you see someone you don't know, introduce yourself and extend a welcome!

We are planning the annual Christmas Sale on Wednesday, December 14, 2016. ALL ITEMS in the store will be 20% off that day. It is OK for us to have vendor help for the 2-3 times a year we have special sales and open houses. So we would appreciate any extra help that day. An information sheet about the sales procedures for sale days is available near the daily sales boxes. Also, a sign-up sheet is available on the calendar for those who would like to lend a hand as floor help! Snacks for our customers are welcome and appreciated. Thank you. We still need some afternoon help!

Just a quick reminder to keep your comments and conversation POSITIVE!!! Voices carry very well through the store!
